

**SQUITTY**

WHITEPAPER

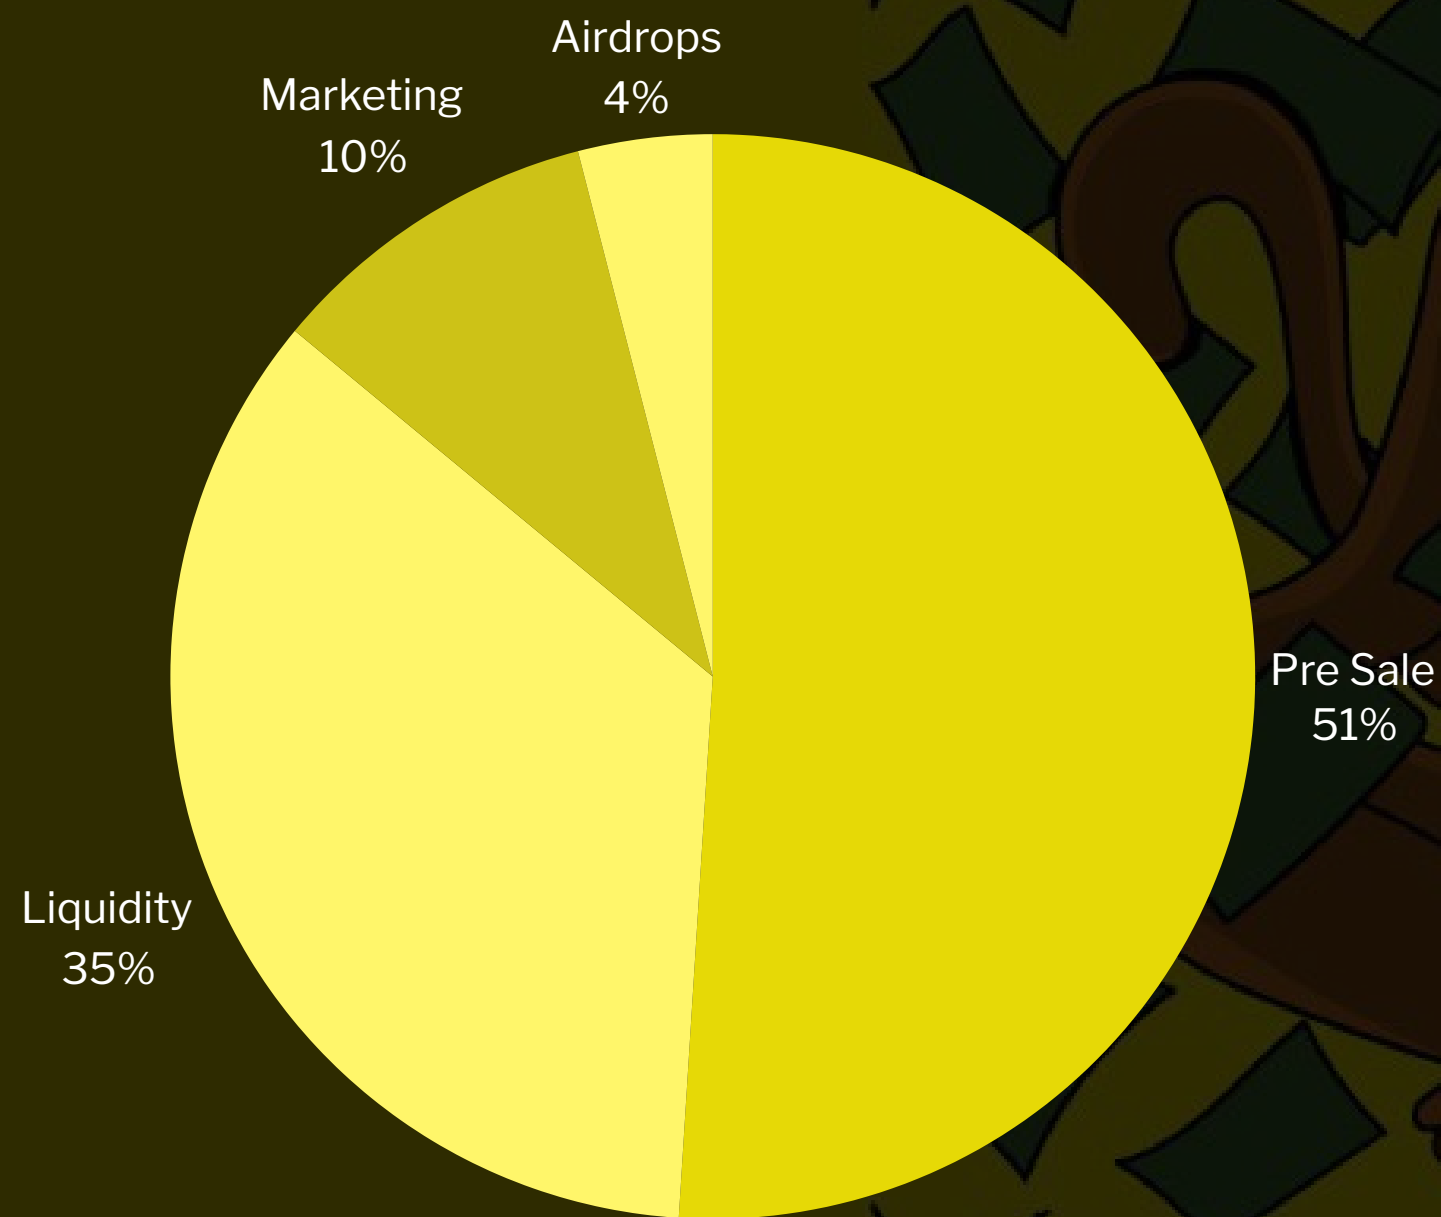

# INTRO

**\$Squitty is not a common squirrel, is self-proclaimed Finance Minister of Memeville**

# TOKENOMICS

## **PRE SALE 51%**

The majority (51%) of the total supply is allocated towards the presale. This generous allocation will give early investors a unique opportunity to get in on the ground floor and secure a significant number of \$SQITTY tokens.

## **LIQUIDITY 35%**

A significant (35%) of the total supply is allocated towards liquidity. This means more \$SQITTY tokens in the market for you to grab, ensuring a healthy and active trading environment for all holders.

## **MARKETING & CEX LISTINGS 10%**

Marketing (Marketing & Cex listings): A total of 10% is allocated for marketing & cex listings.

## **AIRDROPS 4%**

We care about our community, we have allocated 4% to constantly distribute airdrops to our community.
